GOLF AT STOCKPORT

Renowned as one of the finest layouts in the North of England, we maintain an enviable reputation for producing a fantastic, championship-standard golf course. With off-course facilities to match, we have worked hard to ensure you enjoy your Stockport Golf Club experience.

Founded in 1905 and designed by the former Open Champion Sandy Heald, our beautiful and challenging golf course is an 18 hole, Par 71, 6,373 yards long, played through picturesque tree lined parkland, with a lay-out that is the envy of many. The course has hosted The Open Regional Qualifier as well as many other major amateur events in recent years and is well known as one of the golfing jewels of the North West. We are well known for our exceptional catering and hospitality, and the Club offers a very special and warm welcome to all its members and visitors.
